VOLUNTARY ANNOUNCEMENT

Reference is made to the announcement of China Mobile Limited (the “**Company**”) dated 4 April 2013 (the “**Initial Announcement**”) in relation to the joint preliminary application for the Myanmar Telecommunications License by the Company and Vodafone. Unless otherwise specified, capitalized terms used in this announcement shall have the same meanings as those defined in the Initial Announcement.

The Company together with Vodafone were selected to be one of the twelve short-listed applicants to submit a final bid to the Telecommunications Operator Tender Evaluation and Selection Committee of Myanmar (the “**Committee**”). On 20 May 2013, the Committee published the final license conditions in respect of the Myanmar Telecommunications License (the “**Revised Final License Conditions**”). After considering the Revised Final License Conditions carefully, the Company and Vodafone have decided that they will not proceed with the selection process and will not submit a final bid for the Myanmar Telecommunications License as the investment opportunity does not meet their respective strict internal investment criteria.

The Company will continue to give due consideration to future opportunities that are consistent with its internal investment criteria and development strategies.
